Would Irritate and Burn. Ashamed To Go Out. Could Not Wear Collar. Could Not Sleep at Night. Cuticura Soap and Ointment Healed.

4008 Third Ave., Brooklyn, N. Y.—"I was troubled very much with pimples and blackheads which began on my forehead and neck. I was ashamed to go out. At night I could not sleep because they would burn and itch so bad.

"One day I happened to see an advertisement in the paper and sent for Cuticura Soap and Ointment. Just one week after using the Cuticura Soap and Ointment I found great relief. I washed my face and neck with the Soap then put a little Ointment on and wash off in a few minutes. After using Cuticura Soap and Ointment several months I was completely healed."
